

Step-by-Step

Download and Transfer of OverDrive Titles to Devices!

SanDisk Sansa Fuze, Creative ZEN Style, most MP3/WMA Players

MP3 or WMA Audiobooks

Website: www.montanalibrary2go.org

Click on **Login**.

Select your library from the drop down list.

Enter your 14 digit Library Account Number.

Browse through the titles available.

Click on **Add to Cart**.

Either continuing browsing, or you can proceed to checkout.

Click **Proceed to Checkout**.

Select lending period: 14 Days (default) or 7 Days.

Click **Confirm Checkout**.

Click **Download**.

The item now automatically appears in the OverDrive Media Console for downloading.

Click **Ok**.

In this next window, you have the option to download all or parts of the book. After the book has been downloaded, plug the MP3/WMA device into your PC, select the book in from the **View All Media** list and click **Transfer**.

Handy Hint~ Make sure that your computer is running an updated version of Windows Media Player.
